

Tổng hợp các chương trình Leading Graduate Programs (LGP)

[Gakutomo](#)

Trường	Các chương trình LGP
Kyoto University	Graduate School of Advanced Integrated Studies in Human Survivability
	Training Program of Leaders for Integrated Medical System for Fruitful Healthy-Longevity Society
	Design School
	Inter-Graduate School Program for Sustainable Development and Survivable Societies
	Primatology and Wildlife Science
Osaka University	Cross-Boundary Innovation Program
	Interdisciplinary Program for Biomedical Sciences
	Interactive Materials Science Cadet Program
	Humanware Innovation Program
	Revitalizing and Enriching Society through Pluralism, Equity, and Cultural Transformation
Keio University	All-Round Program for Leading Graduate School dành cho các sinh viên muốn theo học tại The Graduate Schools of Letters, Economics, Law, Human Relations, Business and Commerce, Medicine, Science and Technology, Media and Governance, Health Management, Pharmaceutical Sciences, Business Administration, System Design and Management, Media Design
	Global Environmental System Leaders Program (Graduate School of Media and Governance/Graduate School of Science and Technology)
Tokyo Institute of Technology	Academy for Global Leadership
	Academy for Co-creative Education of Environment and Energy Science
	Education Academy of Computational Life Sciences
	Cross-Border Legal Institution Design
	Academy for Global Nuclear Safety and Security Agent
Nagoya University	Gateway to Success in frontier Asia
	Integrative Graduate Education and Research Program in Green Natural Sciences

	<u>Graduate Program for Real-World Data Circulation Leaders</u>
	<u>Women Leaders Program to Promote Well-being in Asia</u>
	<u>Leadership Development Program for Space Exploration and Research</u>
The University of Tokyo	<u>Global Leader Program for Social Design and Management</u>
	<u>Graduate Program in Sustainability Science, Global Leadership Initiative</u>
	<u>Graduate Program for Leaders in Life Innovation</u>
	<u>Materials Education Program for the Future Leaders in Research, Industry, and Technology</u>
	<u>Graduate Program for Social Creative Leaders</u>
	<u>Integrated Human Sciences Program for Cultural Diversity</u>
	<u>Advanced Leading Graduate Course for Photon Science</u>
	<u>Graduate Program in Gerontology, Global Leadership Initiative for an Age-Friendly Society</u>
	<u>Frontiers of Mathematical Sciences and Physics</u>
Kyushu University	<u>Graduate education and research training program in decision science for a sustainable society</u>
	<u>Advanced Graduate Program in Global Strategy for Green Asia</u>
	<u>Advanced Graduate Course on Molecular Systems for Devices</u>
Tokyo University of Agriculture and Technology	<u>Creation of the Practical Science Leading Graduate School for Green and Clean Food Production</u>
Tsukuba University	<u>Ph.D. Program in Human Biology</u>
	<u>Ph.D. Program in Empowerment Informatics</u>
Kumamoto University	<u>Health life science: Interdisciplinary and Glocal Oriented</u>
Osaka Prefecture University/Osaka City University	<u>Graduate Course for System-inspired Leaders in Material Science</u>
Tohoku University	<u>Interdepartmental Doctoral Degree Program for Multi-dimensional Materials Science Leaders</u>
	<u>Science for Global Safety</u>

Hokkaido University	Ambitious Leaders' Program fostering future leaders to open new frontiers in materials science
	Veterinary Science for One Health
Waseda University	Graduate Program for Embodiment Informatics
	Leading Graduate Program in Science and Engineering
Toyohashi University of Technology	Doctoral Program for Training Brain Information Architects
Doshisha University	Global Resource Management
Kanazawa University	Cultural Resource Management
University of Kochi/ University of Hyogo/ Chiba University/ Tokyo Medical and Dental University/ Japanese Red Cross College for Nursing	Disaster Nursing Global Leader Degree Program
Ochanomizu University	Fostering long-term creativity and innovation with science and technology disciplines based on Ochanomizu spirit "migakazuba" in the next generation of global leaders
Yamanashi University	Green Energy Conversion Science and Technology
Gunma University	Program for Cultivating Global Leaders in Heavy Ion Therapeutics and Engineering
University of Hyogo	Graduate School of Life Science
Nagasaki University	Nurturing Global Leaders in Tropical and Emerging Communicable Diseases
Chiba University	Immune System Regulation and Innovative Therapeutics
Yamagata University	Innovative Flex Course for Frontier Organic Material Systems
Akita University	New Frontier Leader Program for Rare-metals and Resources
Shiga University of Medical Science	Reducing the burden of non-communicable disease in the Asian Pacific Region
Shinshu University	Global Leader Program for Fiber Renaissance
National Graduate Institute for Policy Studies (GRIPS)	GRIPS Global Governance Program
